TIP

SUSPEND A HOLD & KEEP YOUR PLACE IN LINE
A good option if you have too little time to read or too many books in progress.

- Go to **Shelf > Holds**.
- Tap **Manage Hold**, then **Suspend Hold**.
- Tap **Active**, then choose how long you'd like to suspend your hold.
- Tap **Update Hold**.

"Deliver Later" - When a hold becomes available for you, you'll now have the option to borrow it or have it delivered later. The "deliver later" option keeps you at the front of the wait list but passes that copy of the title to the next person in line. This feature gives you more control over your holds, so you can borrow and read titles when it's most convenient for you.
